INSIGHTS

1. Chavez and the sheriff losing innocence is sort of like adam and eve
2. Revelations: God proclaims himself the alpha and the omega the first and the last. “Ultima” is the very first work of the book and her name means “the last” it connects to her character to God.
3. Ultima could be god, owl is the holy spirit, Antonio is the son.
4. “from the top of the stars...” watching from the heavens.
